

RAP Beer Club – 2nd Annual Brewery Crawl

Thirteen members of the RAP Beer Club boarded a privately-owned bus that dropped us off in downtown Phoenixville on Saturday, July 28th for the second annual brewery crawl.

From left: Kurt TeKolste, Michael Borden, Bill Sirocky, Lee Liebler, Ed Kozar, George Redfern, Harry Galvin, Bart Kaplow, Todd Welsh, John Kerns, Joe Crowne, (not shown) Bill McDowell and Jere Doyle.

Since we ran out of day last year and didn't make it to one of the new breweries in town, we reversed the route and started at Root Down Brewery at the east end of town.

The group then proceeded to Crowded Castle, had lunch and beers at the new Conshohocken Brewing Company's Rec Room and ended the day at Stable 12 where the bus met us to take us safely back home.

Another great outing with a congenial bunch. The RAP Beer Club meets four times a year for simple beer swaps, seasonal luncheons, live music events and excursions. If you'd like to be added to our mailing list, please contact the club coordinator, Todd Welsh trwelsh51@comcast.net.
